Greg Dicharry, CPRP

Greg serves as the Development Manager for Peer and Family Delivered Services at Magellan Health Services of Arizona. While at Magellan he developed and provides oversight for Magellan's youth leadership team, MY LIFE. Greg obtained a BA degree in communication from Arizona State; and is currently enrolled in the Master of Social Work program at ASU. He also holds a CPRP (Certified Psychiatric Rehabilitation Practitioner) certification. Prior to Magellan, Greg was employed by Triple R Behavioral Health overseeing all aspects of their Peer Training Program, and he served in that capacity for over two and a half years. Greg is extremely grateful to have the opportunity to utilize his own experience to inspire, motivate and educate people living with substance abuse and mental health and issues; and those that serve them, to reach their recovery goals.
